Dear families of Vocal NYSSMA Level 2 students:

As per NYSSMA regulations, all students need to bring an ORIGINAL COPY of the music that they are performing to their NYSSMA Audition. Students have learned three solos and have now chosen the song that they would like to perform.

All of the songs are found in the following book:

Ready to Sing Folk Songs

Compiled and Edited by Jay Althouse

Published by Alfred Publishing

(Book may be purchased with or without accompaniment CD -

I suggest the CD as it will help your child practice at home)

- *If your child performed "All Through the Night" as their Level 1 solo – then this is the same book as you purchased last year.*
- *If your child performed "Edelweiss" as their Level 1 solo, then you will need to purchase this book.*

This book can be found at local retailers such as
